On behalf of HVICC board of trustees, we wish the entire HVICC community a blessed and happy Eid! We would like also to take this opportunity to thank the community for all your amazing efforts and contributions to make this Ramadan a big success and this Eid a happy and special event! We thank all of those who have donated to our center, helped with any task small or big, and attended the prayers. We thank you all for your support! HVICC takes great pride in its community and its team work spirit that we have all lived and witnessed during this Ramadan. This Ramadan was buzzing with memorable moments and amazing events. To cite a few: We all enjoyed delicious Iftar every night with our family and friends thanks to the generous sponsoring families. Our youth got inspired and had amazing time during the Ramadan retreat. Several competitions were held where kids were encouraged to write essays, make speeches, and recite Quran. Every night, the babysitting room was buzzing with happy kids making arts and crafts and engaging in various educational activities. Overall, it was a truly wonderful experience thanks to all your efforts! Special thanks go also to all the brothers and sisters who worked so hard to prepare for the Eid celebrations and who have helped make our Eid extra special! May Allah accept your deeds and may we all enjoy many more months of Ramadan and many more celebration.
